## About HIMT

**HIMT** Group of Institutions was established in the year 1998 by the same enlightened group of people from a cross section of society who had joined together & formed the Shanti Educational Society, registered under the registration Act.XXI, of 1980. The basic philosophy of HIMT is based on the fabric of Eastern thinking and Western concepts. To achieve this goal, the group has targeted the imparting of a global perspective to the young students. Since its inception, the Group has promoted **Management, Computer Application, Law, Biotechnology, Pharmacy and Education Department.**

HIMT is fully equipped to face the challenges as one of the fast growing institutes popularly known as HIMT with a blend of excellent intellectual Capital, human resources and dedicated personnel committed to education for transforming the most ordinary students into technocrats / Managers. The state-of- the-art infrastructure definitely quenches the thirst of knowledge seekers by providing them a strong stimulus to expand their talent and capabilities to a higher level of intellect.
